Next steps

- **Timing**

- Short-term (from this June/July to Spring 2023)

- Medium term (await deadlines from DfT)

- **Stages**

- Short-term - crossing and footway near Talisman roundabout;

- Medium term - scheme will include options, design and delivery stages.

- On-going strategy work along the A41, EWR and the area transport strategy

- **Resident engagement**

- Short-term – engage on the plans and formally consult on proposed crossing and footway works;

- Medium term - there would be an options assessment with engagement and consultation; design stage with further engagement and consultation; and the delivery stage - information on construction dates; post production- community activation and monitoring
